

# Art Entertainment Events

For Corporations and Large Groups

*With Nationally Known Artist Marjorie Kinney*

This information is strictly for professional corporate DMC's, CMP's, DMCP's and the trade only. Follow-up inquiries will be answered to bonafide planners and managers.

**Interactive Art** – Guests help the artist finish a painting in progress -- perfect for receptions, evening corporate events, hospitality rooms, etc. Marge sketches a local landscape or the event theme and the guests paint it as a team effort, one artist at a time. Guests think they can't do it until they pick up a brush and try! Then, the challenge is to get the brush out of the guest's hands. Men and women enjoy the event and chide each other on.

**Art Classes** – Available as morning or afternoon half-day classes for spouses or teams. Enjoy casual, hands-on painting on your own take-home canvas. Reduce stress and think more creatively. Classes can be held on the hotel terrace, lawn, conference room, or offsite.

**Art Tour of Laguna Beach** – Our #1 favorite tour! Small to large groups visit galleries, hot spots, private studios, and shop on Forest Ave. Event planners can plan a lunch stop as part of the tour. Visit galleries in the morning, lunch on the bluff-top, at ocean-view Las Brisas restaurant for example. After lunch shop on Forest Avenue, Laguna's most popular street featuring gift stores, clothing, sweets, art galleries and quaint shops. Ideal group size is 15-22.

**San Juan Capistrano Mission Tour** – Use the mission's docents for a mission tour followed by a box lunch and painting class on the mission grounds or walk to Los Rios street, (refurbished turn of the century cottages) and to the historic train station.

**Photography Tour** – Special places artists like to paint! Bring your camera! We will be taking photographs of the San Juan Capistrano Mission, the train station in San Juan Capistrano, Los Rios Street (with its refurbished, turn of the century cottages), Dana Point Overlook of the 12,000 boat harbor, and then the last and best, Heisler Park with its famous romantic, wedding gazebo on the ragged cliffs overlooking Main Beach, and the Laguna Beach coastline. Earlier start time is suggested as per tour outline.

**Special Event Speaker** – Marge gives a creative talk on “Let's Dump Stress and Have Fun.” Scientific study reveals use of both right and left brains is essential to reduce stress, live longer, and lead a happier, productive life. Doing something creative is the secret. She tells how to do this while sharing anecdotes about her transformation from a fast track exec and risk taker to a full time artist and how it affects health, stress level, and love life. After the talk as an optional gift from the host for an additional charge, guests can choose one of four colorful beach scene posters, 16” X 20”, which artist will autograph. The posters, giclees, and greeting cards can be seen by clicking on Lithographs and Greeting Cards at [www.marjoriekinney.com](http://www.marjoriekinney.com) .

**Marjorie Kinney's Background** – She was a corporate executive for 20 years and served on two Fortune 500 Boards. She has a MBA from Pepperdine University and works easily with top executives and their spouses. Her artwork is used by corporations, hotels, and individuals. It has been licensed by Pimpernel UK for use in 21 countries. She belongs to several prestigious art groups, and has won “Best of Show” in juried art shows.

**Repeat customers** – Johnson and Johnson, CopperCom, Verizon, Pharma, Pfizer, Merck, Glaxo-Welcom, Roth Capital Partners, Amex, Bristol Myers, Squibb, Bank of America, Transamerica, Deloitte-Touche, Sun Micro, Micoa, Options Clearing Corp., John Hancock and YPO, Mobil, Mazda, Financial Network, Pacificare, Delta Dental and more. Over 200 Corporations have enjoyed one or more of these events.
